“The clean lines and elegance of the fine bone china by Tata Ceramics showcases multiple cuisines and allows for many choices in the plating. Any quality food service operation would find the varied shapes and sizes available and the hardness in use very advantageous.”

EMBOSSSED LINES

The modern and contemporary designs with soft and subtle embossed textures create a unique and aesthetically delightful dining experience. Use them for desserts, gourmet salads or for pre-plated exotic cuisines.

1. Product name and description

2. Dimensions in millimeters and line drawings

3. Product images and suggested usage

The ancients believed that an ordeal by fire makes any element pure and strong. Perhaps this wisdom was an outcome of the magic they witnessed when they saw fine ceramics emerge from fire.

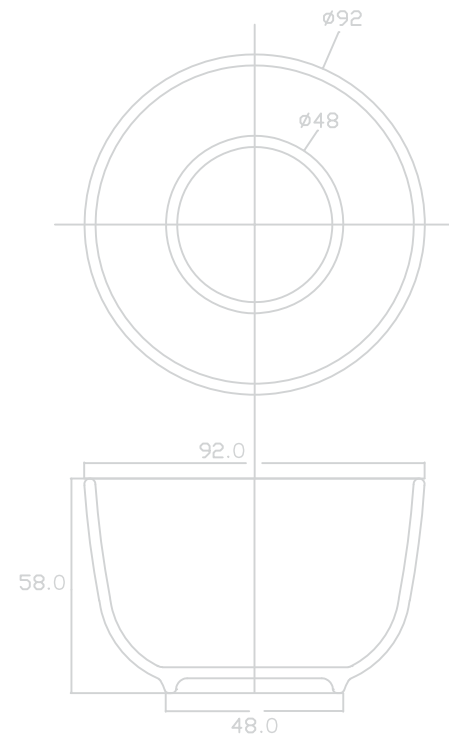

Pristine, light weight, translucent and whiter than the purest white, this fine bone china with its minimal embellishments symbolizes royalty for what it is – delicate but resilient.

Reflect your personality by making it the right gifting choice for this season.
